Paraprofessional Confidential Questionnaire

Your responses to this questionnaire WILL NOT be shown to your employer. Their sole purpose is to help create a 'success' model for the entire clinic team—you, other staff, and the doctor. Please be candid! It's the only way each person can receive the help that's needed for personal, professional, and financial rewards.

1. a. When were you hired? b. What are your position and key responsibilities? c. What are you paid and what are your benefits?

2. a. Have you seen a policy manual in the clinic? b. Are you familiar with the rules in your clinic?

3. What assets do you feel you bring to your team? (Describe in 100 words or less.)

4. What are your personal financial goals?

5. Have you attended a course on The Pettibon System? If 'yes', which one?

6. What do you believe to be the biggest obstacle to the implementation of The Pettibon System in your clinic?

7. How can we better serve the needs of the chiropractic paraprofessional?
